

# GREENLAND PUBLIC SCHOOL

A MODERN SCHOOL WITH TRADITIONAL VALUES

Affiliated to CBSE, Delhi

**Quality Education is the birthright of every child born on this beautiful planet**

## Why GPS

Greenland Public School, Lucknow started its first academic session in April, 2008. G.P.S. Lucknow believes in providing holistic development to students by creating a supportive environment to stimulate the child's natural curiosity and desire to learn. The school curriculum incorporates intensive activities, which aid concentration and stimulate spirit of oneness.

## LATEST TECHNOLOGY

We believe in optimum utilization of technology that harmonizes the whole process and increases the productivity. We have implemented latest IT solutions to bring speed and ease to requirements of the staff, students and the parents.

## SWIMMING POOL

A full fledged swimming pool is one of the star attractions of our school. Students enjoy the luxury of the "cool pool" from April to August. Separate coaches for boys & girls are invited for this pleasurable & healthy exercise.

## DAY BOARDING

Working parents face problems about the safety and security of their children after the school hours. Obviously, they look for a place where some reliable person can act as God-Mother to them. Hence arises the need for Day Boarding in the school. Day Boarders are served hygienic & nutritious lunch, made to rest and helped with their home-work. The school also has all the necessary facilities and latest support systems like RO inbuilt water purifier and coolers, security systems, well equipped library, etc.

## SPORTS

We have sports activities so that students from all age groups can enjoy, relax and exercise all at the same time. Competitive sports and physical education are important aspects of life at GPS. In the psychomotor domain the school focuses on both physical fitness as well as skill at games. To encourage students to remain physically fit, there is a system of awarding students gold, silver and bronze medals based on their performance in tests which assess strength, endurance, flexibility, speed and coordination.

### INDOOR GAMES

Table Tennis, Chess and a host of other games are available.

### OUTDOOR GAMES

Coaches are invited for the following on regular basis Tae-kwon-do, Aerobics, Yoga, Volleyball, Badminton.

### OUTINGS

It gives tremendous joy to a child when he goes out in groups. Keeping this in mind, regular field trips and excursions are planned.

## OUR AIM

The School aims to provide a conducive and optimum learning environment to foster "the pursuit of excellence" resulting in every student reaching out to maximum scholastic potential. The school's approach is geared towards instilling right values in students including compassion, sensitivity, self motivation thereby creating "dynamic young achievers". To make the students enlightened, an earnest attempt is made to make learning constructive, giving the students access to all the latest new technologies available in the various fields of Media & Information Technology. Thus the school's objective is to make the students true citizens of modern progressive world in the new millennium ready to meet the challenges in each and every field of life.

## SCIENCE LAB

To develop scientific attitude and to provide opportunities to think, observe, apply reason and to arrive at decisions, the school has a well equipped science laboratory.

## COMPUTER LAB

The computer lab is fully furnished and functional under the charge of an expert teacher. Apart from giving the conventional computer knowledge, concerted efforts are made to make the students IT savvy.

## AUDIO-VISUAL LAB

To impart knowledge to our students through the help of technology, Audio-visual classes are held. Education through smart classes makes learning interesting.

For the all-round development of students, the school enhances the progress of a child by developing self confidence, working on the basis of their own experience, helping them in understanding, discovering and satisfying their curiosity. Different forms of activities that are available in school are: -

**Horse Riding**

**Aerobics**

**Drawing & Painting**

**Dance & Music**

**Taekwondo**

**Swimming**

**Adventure Sports**
